Administrative Experience	<p>Department Chair, Upper Division BSN Transfer Programs (2+2 & LVN-BSN), May 2017 – December 2019. This is a program for professional adults’ learner, distributed over 3 campuses (Monrovia, Inland Empire and High Desert). Duties include but not limited to:</p> <ul style="list-style-type: none"> • Report to, and be accountable to, the Dean of the school/college in which the department resides. • Serve as a collaborative member of the Dean’s leadership group within the particular school or college. Model and encourage mutual respect and collegiality. • Provide leadership to foster effective teaching and scholarship within the department. • Maintain responsibility for faculty recruitment and development, including adjunct faculty, and managing employment needs in relation to teaching needs. • Make recommendations to the Dean of the school/college regarding appointment, promotion, term tenure, or termination of faculty and other personnel within the department. • Initiate annual conversations with department faculty about student learning, and, when necessary, coordinate the evaluation, revision, and improvement of curriculum based on annual assessment of Student Learning Objectives as part of ongoing Program Review. • Ensure syllabi for programs are current and follow University guidelines and that appropriate curricular process is followed for all curricular proposals, delegating as appropriate to Program Directors in departments with multiple, distinct professional programs. • Assist in budget preparation and management for the department, ensuring programs operate within the departmental budget(s). • Develop workloads, course schedules and offerings, faculty assignments, and ensure appropriate office hours. • Foster effective student advising and the maintenance of advisement files. • Assist, as appropriate, in student recruitment and retention. • Conduct regular meetings of the department. 									

	<ul style="list-style-type: none"> • Engage in a process of annual performance review of departmental faculty as defined by the Faculty Evaluation System, providing clear and consistent feedback to faculty on their performance. Ensure adherence to the FES process, including the annual goal-setting and evaluation of each faculty member. Ensure faculty participation in the FES process. • Facilitate staff recruitment, staff evaluation, and staff professional growth. • Lead department faculty in the development of a department vision and promote collaboration among faculty toward accomplishment of the vision. Facilitate department development of annual goals and objectives in the university strategic planning process. • Manage program growth, as appropriate, in accordance with the University growth plan. • Lead the collaborative department process to determine, propose, implement, evaluate and revise acceptable scholarship standards for the program or department. • Participate in all scheduled meetings expected of the Chair, including Chair's Advisory Council and other meetings scheduled by the School and University. • Participate in ongoing training and development related to the role of Chair. • Facilitate resolution of disputes between faculty, staff, administration, students, and parents. • Implement department and university policies with regard to students including managing prerequisites, permissions, petitions and transfer inquiries. • In consultation with the Dean, collaborate with university departments. • Other duties as assigned by the Dean <p>During my service, I was able to start the program (accepting the first cohort of the LVN students) at the Inland Empire Regional Campus. Also, during my years of service, I participated in collecting data and preparing the report for school's accreditation for both the BRN visit in 2017 and CCNE visit in 2018.</p>
<p>Courses taught at APU</p>	<ul style="list-style-type: none"> • Doctoral Program (PhD and DNP), since Fall 2019 until now: GNRS 716 - Translational Research GNRS 732 - Clinical Residency (DNP Program) GNRS 791 - DNP Intensives <p><u>Also responsibilities includes:</u></p> <ul style="list-style-type: none"> • Organizing and helping faculty in moving courses from its face to face modality into an online format to help in the hybrid modality of the PhD program. • Responsible for organizing and conducting the information session and the qualifying Exam for the PhD students at the end of the first 24 hours of the program.

	<ul style="list-style-type: none"> • Developing a new course in the International Health area of concentration in the PhD program. The new course I developed is called: Comparative Healthcare Systems, to be first offer in an online modality Fall 2021. • LVN-BSN and 2+2 program and Traditional BSN (2017-2019): UNRS 404 - Nursing Care for Children and Young Adults didactic and lead faculty • RN-BSN program (2016-2017): RNRS 327 – Nursing Research and Statistics RNRS 367 – Pathophysiology • Entry Level Masters (ELM, 2013 – 2017): GNRS 508A – Research and Theory in Advanced Practice Nursing GNRS 583/583P – Nursing Care of Children and Young Adults didactic and Practicum (lead faculty of the course)
<p>Supervised Research DNP Projects and advising PhD students</p>	<p>Supervised DNP Project, “The Association of Depressive Symptoms on Diabetes Self-Management”. (Graduated Fall 2019). Student: Deanna Daniel, Served as secondary advisor.</p> <p>Supervised DNP Project, “The Impact of Low Literacy Diabetes Self-Management Education on Diabetes Self-Efficacy: A Q.I. Project”. (Graduated Spring 2021). Student: Touran Assar, served as secondary advisor.</p> <p>Supervising DNP project, “Reduction of Hospitalization in the Home Health Heart Failure Patients with Telehealth”. Student: Cristal Mora, serving as secondary advisor. Prospective defense date Spring 2023.</p> <p>Supervising DNP Project, “The Impact of Attending a NICU Admission Class on Parental Knowledge and Stress”. A Q.I. project. Student Crystal Richards, serving as primary advisor. Prospective defense date Spring 2022.</p> <p>Supervising DNP Project, “Implementation of a Quality Improvement Project for Postpartum Hemorrhage”. A Q.I. project, student: Andrea Smith, serving as primary advisor. Prospective defense date Spring 2023.</p> <p>Supervising DNP Project, “Retail Clinic and Primary Care Continuity among Diabetic patients”. A Q.I. project, student Ngoc Nguyen, serving as primary advisor. Prospective defense date Spring 2022.</p> <p>Advising Ph.D. student Lina Mohammad, research topic: “Socioeconomic and Cultural Factors in Self-Care Practices of Cardiovascular Diseases among the Arab population”. Ph.D. Dissertation in progress.</p> <p>Advising Ph.D. student Carla Gard, research topic: “The Lived Experiences of Coping with Sudden Patient Death in Clinical Practice”. Ph.D. Dissertation in progress.</p>

**Supervised
Research Projects
and Posters at the
graduate level**

Supervised Research, "Prevention of Catheter Associated Urinary Tract Infections in the Critical Care Unit." (April 2017). Advised: Alexandra Harris, Denise Antillon, Trae Collins

Supervised Research, "Sex Trafficking and the Need for Improved Protocol." (April 2017). Advised: Annette White, Gabrielle Johnson

Supervised Research, "Violence Against Nurses in the Emergency Room." (April 2017). Advised: Brandon Barlett, Vanessa Bondoc, Thanh Sy, Janet Quintanilla

Supervised Research, "Review of Literature on the Effectiveness of Nonpharmacological Methods in the Reduction of Vaginal Birth Pain." (April 2017). Advised: Kimberly Lin, Mallory Malecji, Kasy Ring, Amanda Sheehan, Veronica Thach

Supervised Research, "Complementary and Alternative Medicine and Traumatic Brain Injury." (April 2017). Advised: Russell O'Brien, Johnathan Che, Leticia Fuentes

Supervised Research, "Pressure Ulcer Incidence as a Product of Nutrition and Ethnicity." (April 2017). Advised: Suzanne Macatiag, Jessica Patru, Ryan Shiozaki, Crystal Tran

Supervised Research, "Effectiveness of Smoking Cessation Program for Adolescents." (December 2015). Advised: Freddy Chung, Angelica Guangorena, Jennifer Moani Kahau-Segovia, Jose Munoz, Kacey Tanabe

Supervised Research, "School-based Interventions for Reducing Obesity in Children." (December 2015). Advised: Jessenia Jara, Graviela Vidrio, Katherine Raatz, Gayanne Melikyan

Supervised Research, "Exploring the Effects of Exercise on Obesity and Stress in ICU Night Shift Nurses." (December 2015). Advised: Julie Carlson, Tamisha Johnson, Diana Marich, Lindsey Potter, Amanda Valloza

Supervised Research, "Effects of Weight Management Program on Childhood Obesity and Self-Esteem." (December 2015). Advised: Laura Dillon, Jessica Ruiz Ruiz, Rosalind Sun, Brianna Wallace

Supervised Research, "Will a Home Visit from a Registered Nurse in the First Eight (8) Weeks Postpartum Reduce the Likelihood of Postpartum Depression Development?." (December 2015). Advised: Michael Lam, Erin Chester-Harvey, Kaitlyn Frye, Reny Hidayat

Supervised Research, "INCREASING ASTHMA TREATMENT ADHERENCE." (December 2015). Advised: Paula Park, Frances Kollie, Yansi Perez, Kristina Loussaint, Brandon Woodruff

Supervised Research, "The Effect of a Mindfulness-based Intervention on Stress Reduction for ICU Nurses." (December 2015). Advised: Summer Calton, Yumi Chai, Miriam-Nirvana Nagoulat, Kriska Tiglao

Supervised Research, "Poster title: The Effect of Skin-to-Skin Contact on Breastfeeding Immediately after a Cesarean Delivery.." (April 15, 2015). Advised: Katrina Anderson, Cynthia Siguenza, Kelsey Milam

Supervised Research, "Poster title: The Effectiveness of Safe Sex Education on Promoting Healthy Sexual Behavior and Self-Efficacy in Older Adults.." (April 15, 2015). Advised: Natalie Beal, Elise Martinez, Sarah Roberts, Charity Smith

Supervised Research, "Poster title: Hypertension: Increasing Medication Adherence Through on-Home Nursing Education and counseling Sessions.." (April 9, 2015). Advised: Charity Smith

Supervised Research, "Poster title: The Impact of Health Assessment and Educational Program on Decreasing Survival Sex among Young Homeless Females.." (April 9, 2015). Advised: Jelani Carter, Kylie McCormick, Katelyn Ogle, Lauren Ratiani

Supervised Research, "Poster title: Mentorship Impact on New Nurse Job Satisfaction and Retention Rates.." (April 9, 2015). Advised: Jennifer Bustamante, Evelyn Jaramillo, Jennifer Matthews, Tacie Vaughn

Supervised Research, "Poster title: The Effectiveness of Designated Quiet Time on Patient Sleep in the ICU.." (April 9, 2015). Advised: Jenny Hsu, Janelle Borgan, Michelle Merchant, Enrique Caloca, Shaun Nelson

Supervised Research, "Poster title: Improving Infant Immunization Status using Prenatal Vaccination Educational Program.." (April 9, 2015). Advised: Joyce Alexander, Lauren Azuela, Justine Gonzalez, Katie Keyes

Supervised Research, "Poster title: The Effect of Skin-to-Skin Contact on Breastfeeding Immediately after a Cesarean Delivery.." (April 9, 2015). Advised: Katrina Anderson, Cynthia Siguenza, Kelsey Milam

Supervised Research, "Poster title: Evidence-Based Interventions on Reducing Pain Levels in Children during MMR Immunization.." (April 9, 2015). Advised: Kelsy Pla, Lauren Lacuesta, Tiffany Ma, Yicheng Huang

Supervised Research, "Poster title: Early Nursing Interventions in Preventing PTSD in PICU patients.." (April 9, 2015). Advised: Kristin Anderson, Jennifer Beal, Katrina Leong

Supervised Research, "Poster title: The Effectiveness of Safe Sex Education on Promoting Healthy Sexual Behavior and Self-Efficacy in Older Adults.." (April 9, 2015). Advised: Natalie Beal, Elise Martinez, Sarah Roberts, Charity Smith

Supervised Research, "Poster title: Sleep Architecture Interventions to reduce

	<p>Delirium Onset in ICU Patients.." (April 9, 2015). Advised: Stephanie Wizel, Kathryn Pugh, Lisa Cabera</p> <p>Supervised Research, "Poster title: New Graduate Residency Programs and New Nurses Retention.." (December 2014). Advised: Sandra Harden, Rebecca Lama, Alaina Ognibene, Norma Vega</p> <p>Supervised Research, "Poster title: The Effectiveness of Healing Touch on Pain in the Geriatric Population.." (April 3, 2014). Advised: Christiane Pepitone, Jamie Bacani, Jennifer Grbavac, Kathleen Lindaman</p> <p>Supervised Research, "Poster title: Gum Chewing in the Immediate Postoperative Period of Cesarean Section Surgeries in Reducing the Incidence of Paralytic Ileus.." (April 3, 2014). Advised: Hui-Chun (Erica) Li, Twila Chauvin, Xiao (Grace) Huang, Lucila Robles</p> <p>Supervised Research, "Poster title: Parent Education Program in Influencing Vaccination Rates among School-Aged Children.." (April 3, 2014). Advised: Jayne Antolin, Eunice Lee, Madelaine Nefcy, Ann Yoon</p> <p>Supervised Research, "Poster title: Comparison of Clinical Performance of Nurses from Accelerated and Traditional Programs.." (April 3, 2014). Advised: Jenny Choi, Mindy Custer, Carmen Schiltz</p> <p>Supervised Research, "Poster title: Preventing Aspiration Pneumonia in Patients with Dysphagia.." (April 3, 2014). Advised: Jessica Anderson, Yen Do-Gorlero, Brando Gorlero, Johnathan Kerr</p> <p>Supervised Research, "Poster title: Transitioning to Nursing Bedside Hand off report in the intensive care units: a Research Proposal.." (April 3, 2014). Advised: Katlin Gallagher, Jessica Potter, Renee Inkiriwang</p> <p>Supervised Research, "Poster title: The Importance of HIV/AIDS Education to Improve the Quality of care Provided by Nurses.." (April 3, 2014). Advised: May Jo Bullock, Bryant Farnham, Taiwo Ige, Nicole Lange</p> <p>Supervised Research, "Poster title: Evidence Base Analysis of Preventing Ventilator Associated Pneumonia.." (April 3, 2014). Advised: Nicole Durrance, Adriana Gomez, Esther Gonzalez, Marzette Solis</p> <p>Supervised Research, "Poster title: Interventions doe Decreasing Emotional Distress in Women with Cancer.." (April 3, 2014). Advised: Rachelle Gregorio, Sheakwa Hawkins, Hyomin Kim, Julie Sunada</p> <p>Supervised Research, "Poster title: Prophylactic Probiotics and their effect on Ventilator-Associated Pneumonia in LA county Intensive Care Units.." (April 3, 2014). Advised: Susan Choi, Mitchell Lee, Carlos Santos, Kimsa Truong</p> <p>Supervised Research, "Poster title: Mobile Technology and Self-management of Diabetes in Adolescents: the Effect on HBAIC levels.." (December 2013).</p>
--	---

	<p>Advised: Jill Friesen, Jeff Altizer, Meredith Kozelchick, Jhonna Lamur</p> <p>Supervised Research, "Poster title: The Effect of Nocturnal versus Short Daily Hemodialysis on health.." (December 2013). Advised: Maria Christina Perez, Samuel Lim, Joseph Wang, Annie Lam</p> <p>Supervised Research, "Poster title: New Strategy: Comparing Patient Outcomes in Stepped Buprenorphine with Methadone Treatment with Methadone or Buprenorphine Treatment for Opioid Dependence.." (December 2013). Advised: Monika Reynolds, Sarah Pierce, Kristina Mendez, Aime Del Valle</p>
Funding and Grants	<p>"The impact of worrying during the COVID-19 pandemic on family functioning and health related quality of life of children: A cross-sectional study" – for \$3000.00, Intramural Grant / APU</p>
