

Deanna Jung, DNP, APRN, AGACNP-BC, ACCNS-AG

Curriculum Vitae

EDUCATION AND CREDENTIALS

Doctorate of Nursing Practice

Duke University 2015

Durham, North Carolina

Capstone Project:

Assessing Knowledge, Skills, and Communication of Disaster Preparedness for Emergency Department Providers with the Use of *In situ* Simulation

Post Masters Degree in Nursing Education

Master of Science in Nursing, Adult Gero Acute Care NP & CNS

University of California, Los Angeles 2013

Los Angeles, California

Clinical Placements/Practicum:

Trauma / Emergency Room, Neurosurgery, Cardiology, Cardiovascular Surgery, Interventional Radiology, Bariatric, General Surgery, & Acute Care Surgery

Bachelor of Science in Nursing 2011

California State University, Fullerton

Fullerton, California

Associate Degree in Nursing 2006

Santa Ana College, California

Santa Ana, California

LICENSURE / CERTIFICATIONS

| | | |
|--|-----------|------|
| Registered Nurse, CA | #696700 | 2006 |
| Nurse Practitioner, CA | #23550 | 2013 |
| Clinical Nurse Specialist, CA | #4034 | 2013 |
| ANCC Adult-Gero Acute Care Certification | #32544770 | 2014 |
| BLS / ACLS / PALS | | 2004 |

PRESENTATIONS & PROFESSIONAL DEVELOPMENT

Disaster Preparedness of E.D. Providers Capstone Project (2013-2015)

Duke University - Durham, NC

ACCNS Virtual Item Writing Committee Volunteer for AACN (2014)

Anaheim, CA

Concussion Prevention in Athletes Presentation (2013)

Mission Hospital - Mission Viejo

St. Paul's Lutheran School - Orange, CA

C.H.A.M.P Poster Presentation, University of California, Los Angeles (2012)

Los Angeles, CA

Intravenous Titratable Medications Protocol (2012)

Mission Hospital - Mission Viejo, CA

ENLS Test Questions Development & Submission (2012)

Mission Viejo, CA

Ischemic Stroke Education to Staff Nurses (2012)

Mission Hospital – Mission Viejo, CA

PUBLICATIONS

Rural Emergency Care: The Impact of Quality Outcomes (2014) *Jacksonville Journal Courier*.

SERVICE ACTIVITIES

Committees:

Unit Practice Council – UCI Medical Center

Member 3/2013-3/2014

Unit Practice Council – Hoag Presbyterian Hospital

Member 2008-2010

Clinical Practice Council – Hoag Presbyterian Hospital

Member 2008-2010

Medication Error Elimination Team – Hoag Presbyterian Hospital

Lead member and investigator 2009-2010

PROFESSIONAL EXPERIENCE

2015- Present

Assistant Professor

California State University

Fullerton, California

Undergraduate and Graduate Level Programs

Duties include: Teaching management of the adult with complex health alterations, physical assessment, vulnerable populations, clinical course lead, capstone clinical instructor, and performed simulation for critically ill patients.

2015- Present

Nurse Practitioner

Bayside Medical Center

Hawthorne, California

Urgent Care / Occupational Health

Duties include: Assessing patient condition, interpret lab values, interpret X-rays to include CXR, spine/pelvis, extremities, and skull, interpreting EKGs, diagnosing, implementing plan of care, providing education, prescribing medications, and performing procedures for both urgent care and workers compensation/occupational health patients. Age range of patients include pediatric to geriatric. Procedures include suturing, decompressing subuncal hematomas, wound debridement, I & D, tendon repair, nail bed repair, pelvic and prostate examinations.

2014-2016

Adjunct Faculty

California Baptist University

Riverside, California

Primary Care Nurse Practitioner Program

Duties include: Teaching advanced assessment, composition examinations, clinical instructor for advanced practice nurses in the areas of geriatrics, pediatrics, and adults. Performed simulations for adult patients.

2014-2016

Nurse Practitioner

University of California Irvine Medical Center

Orange, California

Anesthesia

Duties include: Evaluate patient medical records and perform phone consultations for anesthesia preoperatively. I interpret CXR, various laboratory tests to include but not limited to: CBC, CMP, U/A, urine cultures, nasal swabs, LFTs, BNP, TSH, T3, T4, PT, PTT, INR, CRP, and synovial fluid cultures as well as ECGs. I was involved with the joint surgical home where I performed histories and physicals on patients requiring joint replacement or insertion of spacers. I prescribed preoperative medications, adjusted medications to bridge patients on anticoagulants prior to surgery, ordered necessary preoperative laboratory testing as needed based on the co-morbidities the patient had. I ordered further medical or specialty (cardiology, pulmonology, oncology, renal, and endocrinology) evaluations that were required prior to surgical procedures being performed.

2014-2015

Nurse Practitioner

University of California Irvine Medical Center

Orange, California

Orthopedics

Duties included: Examined orthopedic patients through the preoperative and postoperative periods and performing history and physicals on orthopedic patients. Orthopedic procedures included joint replacement, spacer insertion and extraction, infected joints, meniscal tears, and arthroscopies. I interpret CXR, various laboratory tests to include but not limited to: CBC, CMP, U/A, urine cultures, nasal swabs, LFTs, BNP, TSH, T3, T4, PT, PTT, INR, CRP, and synovial fluid cultures as well as ECGs. I prescribed preoperative medications, adjusted medications to bridge patients on anticoagulants prior to surgery, ordered necessary preoperative laboratory testing as needed based on the co-morbidities the patient had. I ordered further medical or specialty (cardiology, pulmonology, oncology, renal, and endocrinology) evaluations that were required prior to

surgical procedures being performed. I answered phone messages with various requests to refill medications, medical equipment, and occupational and physical therapies. I was asked to teach the orthopedic nurse practitioner to perform histories and physicals on joint surgical home patients. This included ordering laboratory and diagnostic tests, and further medical or specialty evaluations. I helped to develop preoperative paperwork with the orthopedic manager and orthopedic surgeon for joint surgical home patients. I taught the medical assistants to perform and complete Algometer readings for orthopedic joint patients. I collected data for an orthopedic research study for joint patients.

2011- 2014

Registered Nurse

University of California Irvine Medical Center

Orange, California

Surgical Intensive Care & Outpatient Surgical Services

Duties of SICU included: Caring for trauma, cardiac, oncology, hepatobiliary, HEENT, and plastics patients. I cared for patients who had transvenous, epicardial pacing, and those with implantable pacemakers. I have taken care of patients that required a balloon pump, oscillators, mechanical ventilators, and CRRT. I also cared for patients with flaps, kidney transplants, orthopedic traumatic injuries, neurology injuries, whipple procedures, neck dissections, and traumatic injuries to include gunshot wounds, stabbings, MVAs, and concussions. I participated in the practice council for SICU.

Duties of Outpatient Surgical Services included: caring for ophthalmology, orthopedic, oncology, and HEENT patients in the preoperative and post anesthesia care units. I educated patients on the procedures that were performed and discharged them according to the policy and procedures of the department.

2010-2011

Registered Nurse & Clinical Teaching Assistant

University of California Los Angeles Medical Center

Westwood, California

CTICU / Advanced Physical Assessment

Duties included: Caring for patients who had transvenous, epicardial pacing, and those with implantable pacemakers and those patients that required a balloon pump, oscillators, mechanical ventilators, CRRT, and those who had undergone cardiac and lung transplants.

2008-2010

Registered Nurse

Hoag Presbyterian Hospital

Newport Beach, California

CVICU & Emergency

Duties included: Caring for cardiac and surgical patients. I cared for patients who had transvenous, epicardial pacing, and those with implantable pacemakers. I have taken care of patients that required a balloon pump, oscillators, mechanical ventilators, and CRRT. I was a member of the clinical practice council, unit practice council, and the MEET (Medication Error Elimination Team), Sepsis, and Rapid Response teams. Cared for patients in the emergency department caring for a variety of patients.

2008- 2015

Adjunct Faculty-Simulation

Santa Ana College

Santa Ana, California

Developed standardized simulations and objectives for ADN program for first through fourth semester nursing students. Simulations developed include: Gastrointestinal bleeding, blood transfusion reaction, acute respiratory distress syndrome, pain management, and pneumothorax and chest tube assessment and set up.

PROFESSIONAL MEMBERSHIPS

- American Association of Critical Care Nurses
- American Association of Nurse Practitioners
- American Nurses Credentialing Center
- California Association of Nurse Practitioners
- Sigma Theta Tau

HONORS / AWARDS

- Sigma Theta Tau International Honor Society of Nursing
Induction based on cumulative GPA
- President's Volunteer Service Award
Volunteered nursing services for a psychiatric homeless shelter, skilled nursing facility, and the American Red Cross.

CLUBS & ORGANIZATIONS

APN President

Graduate Student Nursing Association (GSNA), University of California, Los Angeles

I oversaw budgets, facilitated events including fundraising, graduation night, volunteering, and collaborating with other groups throughout UCLA campus and the community throughout the academic year.

Member & Representative

Graduate Students Association (GSA) Member – University of California, Los Angeles

Attended GSA meetings and deliberated over issues that were on campus as well as shed light on areas that were in need of change for both the campus and the nursing program. Represented the advanced practice nursing students and advocated on their behalf. Examined budget and requested additional funding when appropriate throughout the academic year.

Member

Alpha Tau Delta – University of California, Los Angeles

Collaborated with other programs to include nursing and clubs while organizing events and advertising for their success, fundraising for various events in the community and to increase awareness of our organization on UCLA campus.

Peer Mentor

School of Nursing – University of California, Los Angeles

Mentored first year advance practice students, master of nursing students, and bachelor of nursing students. Advised of upcoming events, studying techniques, NCLEX preparation, and writing resources that were available to the students on UCLA campus.
