OBJECTIVE

To obtain employment as a Nurse Practitioner in a field that will give me the opportunity to expand my experience as an APRN, while at the same time, providing quality health care to patients.

Nurse Practitioner Experience

Loma Linda University Medical Center (Level 1 Adult & Pediatric Trauma Center)

Nurse Practitioner

October 2019 – Present

Department of Cardiology, Inpatient CCU

Function as an independent healthcare provider who, working collaboratively within a multidisciplinary health team, is responsible for providing comprehensive care to both well and ill patients in the Inpatient and ED setting. Work with patients with acute and chronic illnesses commonly encountered in cardiovascular patients in the inpatient or ED setting. Responsible for assessment, diagnosis, treatment, management, education, health promotion and care coordination for patients and families with acute and chronic health needs.

Registered Nurse Experience

UC Irvine Health (Level 1 Adult & Level 2 Pediatric Trauma Center)

Emergency Services/Trauma Nurse

September 2018 – October 2019

Clinical Nurse II, Registered Nurse (Emergency Department)

Worked as an ER/Trauma nurse in the Emergency Department of a Level 1 Trauma Center assisting patients suffering from extreme or life-threatening injuries and provide appropriate medical interventions for patients in those severe circumstances. Some of the duties while working as a trauma nurse include, providing careful nursing interventions in emergency situations, triage patients and evaluate the severity of the patient's injuries, provide IV insertion, assisting with intubation, emergency medication administration and titration of life saving medications, blood draws and blood administration, assisting with emergency medical procedures, collaborate with the trauma team and intervene as necessary for the critically ill or injured, recognize critical deviations in patient conditions, taking appropriate actions and documenting interventions and working with local Law Enforcement agencies and Fire/EMS personnel. The patient demographic includes patients of all ages in a Level 1 Adult/Level 2 Pediatric Trauma Hospital that consists of a 46-bed department, four trauma resuscitation bays, 12-bed midtrack/fast track department and a 20-bed observation unit. Effectively collaborate with the health care team to intervene and advocate as necessary. Intervene appropriately in instances of abuse, assault or neglect, or when adequate financial or social resources are not available.

Collateral Duties: *New Hire Preceptor Certified, Nursing Student preceptor, Trauma Nurse, Floater*

Doctor's Ambulance Service

Critical Care Transport Registered Nurse (CCTRN)

August 2019 – Present

Registered Nurse working as a Critical Care Transport RN. Patient transports range from basic ACLS patients, to critically ill and hemodynamically unstable patients.

Loma Linda University Medical Center (Level 1 Adult & Pediatric Trauma Center)

Clinical Nurse B, Registered Nurse (Supplemental Staffing Nurse, Per-Diem)

April 2017 – October 2019 Emergency

Room and Oncology 9100

Registered nurse for supplemental staffing with experience in oncology nursing, emergency department and medicalsurgical floors.

Corona Regional Medical Center

Clinical Supervisor

April 2017 – September 2018

Assisted the ED Director in providing overall leadership for the units or areas of responsibility and for creating an environment that fostered collaboration among the team to achieve operational and clinical excellence. Worked

collaboratively with physicians to develop methods for improving the quality of care, works collaboratively with department leadership to achieve quality, fiscal and patient experience goals and expectations. Assisted with schedules and ensured the appropriate number of staff was allocated daily. Adjusted staffing, in collaboration with the Director/Manager/House Supervisor, as census or patient acuity changed.

Collateral Duties: *New Graduate Nurse Preceptor, New Hire Nurse Preceptor, Clinical Supervisor*

UC Irvine Health (Level 1 Adult & Level 2 Pediatric Trauma Center)

Oncology Nurse

April 2016 – April 2017

Clinical Nurse II, Registered Nurse (76/76 Oncology and Telemetry)

Registered nurse in the Oncology and Telemetry unit. Patient acuity ranged from Hematology/Oncology patients, medicalsurgical patients, telemetry and sub-acute patients. Chemotherapy Certified.

Collateral Duties: *Nursing Student preceptor, New Hire Preceptor Certified, Staff Engagement Ambassador, Unit Survey Coordinator, Glucometer Super-User/Trainer, Quest super-user, Break Nurse.*

Corona Regional Medical Center

Care Partner, Interim License Nurse (PCU and ED)

July 2015 – April 2016

New Graduate RN position for recently graduated nursing students who possess an Interim Nursing License. Responsibilities included patient's personal hygiene, ADL's, assistance with ambulation, providing a safe environment for patient, providing emotional support and documenting interventions.

Collateral Duties: *New hire CNA and Care Partner preceptor.*
